Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

To be substituted for previous Circular of same date and No., which is hereby cancelled.

CIRCULAR, No. 931.—(Stores.)

73—3—6776.

War Office, 28th October, 1865.

It has been decided by the Secretary of State for War, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, and the Lords Commissioners of the Admiralty, with a view to a more ready and complete identification of Stores of different patterns, to stamp, in future, all articles manufactured in Government Departments, so far as their size, form and nature will permit—more particularly those which enter into the equipment of Garrison, Naval and Field Artillery—with a Roman numeral in addition to the date of manufacture, to signify whether it is the I, II, III or IV pattern of any particular store.

Officers commanding Royal Artillery and Military Store Officers are informed that whenever reference is made to any particular article of Store, the numeral it bears, and the date of manufacture when it is given, are invariably to be quoted.

Circular No. 450 is not affected by these Regulations.

War Office, 12th March, 1866.

Instances having occurred of War Office Advertisements being inserted in unauthorized Newspapers, in consequence of the use of an old list instead of that most recently approved, the Secretary of State for War has directed that the attention of the Heads of the Civil and Military Departments under the War Office be called to the expediency, on the receipt of new lists of authorized Newspapers, of distinctly noting on the face of the old lists the date of the new one by which they are superseded.

His Lordship has further directed that no expense for Advertisements inserted in unauthorized Newspapers shall, under any circumstances, be admitted for the future as a charge against the public.

War Office, 26th March, 1866.

Commanding Officers are informed, with reference to Art. 88 of the Revised Royal Clothing Warrant of 2nd January, 1865 (52—General No. 1533), that a contract [copy enclosed] for the supply of tobacco to Troops embarking for foreign service on and after the 1st April next has been entered into with Messrs. Scholey & Son, of No. 5, Billiter Square, London, E.C., and that tobacco will therefore cease to be supplied from the Government Store from that date.

When orders have been issued for a Regiment or Draft to be held in readiness for embarkation, application will at once be made by the Officer commanding the Regiment or Depot Battalion to Messrs. Scholey & Son, for the No. of lbs. of tobacco required; and so soon as the name of the ship and the port of embarkation shall have been communicated to the Regiment or Depot Battalion, the Officer commanding will inform that firm, in order that they may immediately take the necessary steps to place on board the tobacco required.

Payment for the tobacco will be made by the Officer commanding the Regiment or

TENDER FOR TOBACCO.

To the Under Secretary of State for War, War Office, London.

We hereby engage to supply the Secretary of State for War with such quantities of tobacco as may be required upon the embarkation of her Majesty's Troops for foreign service, from the 1st of April, 1866, to the 1st of October, 1867, upon the following terms:—

The tobacco to be the best foreign Cavendish tobacco, equal to the sample delivered to the Director of Clothing.

The tobacco to be made up in cakes of the usual Navy pound weight, and securely packed in cases of about 100 lbs. or 110 lbs. each.

The tobacco to be delivered free from all charges to the Government or Troops on board the ships appointed to convey the Troops from any port or ports of the United Kingdom which may be fixed upon for their embarkation.

The cases of tobacco to be marked with the number of the Regiment, with the words "Stores for use on the voyage, to be kept at hand;" and we engage to place a receipt for its delivery on board the ship in the hands of the Officer commanding when the embarkation takes place.

The quantity required for each Regiment to be notified to us by the Officer commanding as soon as the embarkation is ordered, that it may be prepared to be sent off; and as soon as the Officer commanding is informed of the port of embarkation and the name of the ship, he should inform us, that we may forward the tobacco to the out-port in shipment.

We further stipulate as a part of this contract that we are to receive payment for the tobacco shipped at the rate of 2s. per pound, free on board, from the Officer commanding the Troops before the sailing of the ship.

In case of our failing to carry out the above terms and conditions, and the Officer commanding having to purchase in our default, we agree to pay any excess of cost beyond 2s. per pound, when called upon to do so by the Secretary of State for War.

The Secretary of State for War to have power to terminate the contract immediately should he think fit to do so in the event of any complaint being made as to the quality of the tobacco furnished to the Troops.

Much unnecessary correspondence is imposed on this Department by the unsystematic manner in which applications are made by Heads of Departments abroad for increase of pay and for promotion (not previously provided for in the Estimates) of members of their subordinate establishment.

It is therefore directed that, in future, all applications for promotion or for increase of pay (not already provided for in the Estimates) of subordinates abroad shall, unless in exceptional cases, be sent to this Office at the period when the Estimates are forwarded, accompanied by the report of the Head of Department, and supported by the evidence or authority which may be needed to complete the cases for submission to the Secretary of State for War for approval.

War Office, 27th March, 1866.

The accompanying list of prices* is transmitted for guidance in the future issue of necessaries on payment, and W. O. Circular No. 908, dated 28th March, 1865, will therefore be superseded from the 1st of April next, or from the subsequent date, to be inserted in the kit accounts, on which the present Circular shall be received at foreign stations.

In the event of any articles, other than those here detailed, being required on payment, a separate requisition will be forwarded for them, and they will not be included in the annual account of free kits and regimental necessaries. Payment for such articles will be required during the quarter in which they are received, or (in the event of their being received during the last month of the quarter) in the succeeding quarter.

Serjeants' forage caps, summer frocks and fatigue trousers, although not articles of necessaries, may be accounted for in the annual account of free kits and regimental necessaries. The last-named articles will also be sold at the prices herein mentioned when on charge as surplus clothing.

Nova Scotia 2—236.

War Office, 13th April, 1866.

The Secretary of State for War having decided upon extending the application of par. 8 of W. O. Circular No. 885, to foreign stations, the following instructions will be acted upon in future:—

When lime is required for sanitary purposes, such as the purification of drains, ash pits, urinals or privies, Commanding Officers will send requisitions to Barrack Masters for such quantities as may be necessary for this service alone. Barrack Masters will then purchase the same at the lowest rate for which it is obtainable, and issue accordingly.

In cases where Barrack Masters are unable to purchase lime at the price at which it could be supplied by the Royal Engineer Department, Commanding Royal Engineers will supply it on their application, charging the expense to Vote 4.

Barrack Masters will send in a quarterly statement on War Office Form 1420, supported by the requisitions of Commanding Officers, as vouchers for the quantity supplied, whether purchased or procured from the Royal Engineer Department, in order to obtain the sanction of the Secretary of State for War to the expenditure.

The Secretary of State for War has, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, decided that all *grummet wads* will, in future, be made with an opening in the circumference to admit of easy loading, and at the same time to ensure a close fit in the bore.

CIRCULAR, No. 951—continued.

Officers Commanding Royal Artillery, and Military Store Officers are, therefore, informed that the wads in store will be altered by the Military Store Officer before issue, whilst those in charge of the Royal Artillery will be altered at once in the following manner: Lay the wad upon a wooden block and cut with a sharp axe, or chisel and mallet, half an inch out of the grummet, the ends to be sloped off so as to admit of a true junction when brought together.

A sample wad is supplied to guide the alteration.

CIRCULAR, No. 952.—(Militia.)

51—Mil. Gen. No. 1235.

War Office, 14th April, 1864.

Sir,—I am directed by the Marquis of Hartington to inform you that the following modifications have been made in War Office Circular 694, dated 27th Jan. 1861, regulating the supply of necessaries to the permanent Staff and enrolled Volunteers of Militia Regiments.

1. A new kit will be issued to a man on enrolment, re-enrolment or on promotion to the permanent Staff. Part-worn necessaries accumulating in the regimental store will be issued to men requiring them, on payment, at prices varying according to the period during which they have been already in use, one-fifth being deducted from the original value of each article for every complete training it has been worn by an enrolled Volunteer, or for every year it has been worn by a man of the permanent Staff.
2. A man who re-engages, or who is promoted to the permanent Staff, will be allowed on such promotion or re-engagement, the new kit, or money allowance in lieu authorized by paragraph 18 of the Circular above referred to, and may retain his old necessaries (if they have been in use four trainings) when he receives his new kit, or the allowance in lieu.
3. A man who received, on enrolment or re-enrolment, the money-value of the kit and who fails to fulfil his period of engagement, will be required to refund a part of the money-value proportionate to the unexpired period of engagement, unless such unexpired period form part of his term of re-engagement, or unless the man is promoted to the permanent Staff, or enlists into the Line, after serving four trainings.
4. A man discharged prior to the completion of his engagement will return his necessaries into store, unless they have been worn five trainings. A man who enlists into the Line before his Militia engagement is completed, will return his kit into store, unless it has been worn four trainings.
5. Necessaries become the property of the man in whose possession they may be at the termination of the five trainings' wear; but a man who completes his period of service, and thereby becomes entitled to the final balance of his bounty, may retain his old necessaries though they may not have been worn during five trainings.
6. A man who has absented himself from training without leave may retain his necessaries only when he shall have been held to have completed his engagement by subsequent trainings.
7. When absence from training arises from certified sickness, the necessaries may be taken at the end of the last training of the engagement when the man becomes entitled to the final balance of his bounty.
8. A man who, under former regulations, received on enlistment a part-worn kit, which he subsequently took away when the time of wear expired, will not at the end of his engagement take away the second kit he received, unless it shall have been five trainings in use.
9. The above regulations do not apply to knapsacks, mess tins and covers, or to boots, shirts and socks; these articles will continue to be treated under Circular 694, except that—
10. Special application should be made to the Secretary of State for War to allow men discharged on account of sickness during training to take away any boots, shirts and socks, which may have been actually worn by them.

I have the honor to be, Sir,
Your obedient Servant,

DUFFERIN.

War Office, 2nd April, 1866.

The Secretary of State for War has decided that the Store Accounts of the Military Store Department shall, from this date, be audited by the Chief Auditor of Army Accounts.

The Store Accounts at Woolwich and the Tower will be audited at those stations.

Military Store Officers at other stations will forward their quarterly store ledgers and accompanying vouchers to the Chief Auditor, instead of to the Director of Stores.

The Secretary of State has also decided that, upon all queries relating to these accounts, the Chief Auditor shall correspond direct with the Officers of the Military Store Department.

GENERAL ORDER. No. 884.

Royal Artillery—1 (1866).

Horse Guards, S.W., 19th March, 1866.

The Field Marshal Commanding in Chief being of opinion that the duties of the Officers of the Coast Brigade of Artillery, as laid down in the General Order of the 1st of November, 1859, are quite sufficient, if properly carried out, to occupy their entire time and attention, His Royal Highness is pleased to direct that these Officers be relieved from all Garrison or Regimental duties, except such as relate solely to the men of the Divisions under their command.

These Officers are to be placed upon the same footing as Staff Officers of Pensioners, and are to confine themselves exclusively to their Brigade and District duties.

The Coast Brigade should only be paraded with other Troops in cases of urgent necessity.

ORDER OF THE STAR OF INDIA.

India Office, May 24, 1866.

THE Queen, taking into her Royal consideration the expediency of making certain changes in the constitution of the Most Exalted Order of the Star of India, as well by altering the designation of the present Knights of that Order as by adding thereto two additional Classes, so as to enable Her Majesty, her heirs and successors to reward a greater number of persons of conspicuous merit who have rendered, or may render, important services to the Crown in India, has been graciously pleased, by letters patent under the Great Seal of the United Kingdom of Great Britain and Ireland bearing date the twenty-eighth day of March last, to revoke and abrogate so much of the letters patent, bearing date the twenty-third day of February, one thousand eight hundred and sixty-one, by which the said Order was instituted, as limits the same to the Sovereign, a Grand Master and twenty-five Knights, and as is inconsistent with or contrary to the provisions of the now recited letters patent.

And to ordain, direct and appoint, that the said Order shall be henceforth, as heretofore, styled and designated in all acts, proceedings and pleadings as "The Most Exalted Order of the Star of India :"

And to ordain, direct and appoint, that the said Order shall consist of the Sovereign, a Grand Master and one hundred and seventy-five ordinary Companions or Members, which last shall be divided into three classes, together with such Extra and Honorary Members as Her Majesty, her heirs and successors, shall from time to time appoint :

And to ordain, direct and appoint that Her Majesty, her heirs, and successors, Kings or Queens Regnant of the said United Kingdom, shall be successively the Sovereign of the said Order, and that the Viceroy and Governor-General of India for the time being shall be the Grand Master of the aforesaid Order, and shall in virtue thereof be the first and principal Knight Grand Commander of the Order :

And to ordain, direct and appoint that the said one hundred and seventy-five ordinary Companions or Members shall be divided into three Classes, and that the First or highest of the said three Classes shall consist of twenty-five members, to be styled and designated Knights Grand Commanders of the said Order ; and that the Second Class shall consist of fifty members, to be styled and designated Knights Commanders of the said Order ; and that the Third or lowest Class shall consist of one hundred members, to be styled and designated Companions of the said Order :

And to ordain, direct and appoint, that the said Order shall continue to be governed by statutes and ordinances to be from time to time made and ordained by Her Majesty, her heirs and successors, Sovereigns of the same.

In pursuance of the power so vested in the Queen, as Sovereign of the said Most Exalted Order of the Star of India, Her Majesty has also been pleased to issue new statutes for the government of the said Order, and therein to ordain, direct and appoint that it shall be competent for the Sovereign of the said Order to confer the dignity of a Knight Grand Commander of the same upon such Native Princes and Chiefs of India

Order of the Star of India—continued.

as shall have entitled themselves to the royal favour, and upon such British subjects as have by important and loyal services rendered by them to the Indian Empire merited such royal favour; and that as regards the Second and Third Classes of the said Order, no person shall be nominated thereto who shall not by their conduct of services in the Indian Empire have merited such royal favour.

The Secretary of State for War has decided that—

1. The families of the European non-commissioned Officers of the West India Regiments shall, in future, have the option of accompanying them when ordered to the West Coast of Africa, or of remaining at the station from which the non-commissioned Officers proceed.

2. If the non-commissioned Officers proceed to the West Coast from this country, and the families remain in this country under the above circumstances, an allowance of 6d. a-day to each wife, and 2d. a-day for each child under 14 years of age, may be issued so long as the non-commissioned Officers are serving on the West Coast.

3. If the non-commissioned Officers proceed to the West Coast from the West Indies, and the families remain in the West Indies, one-half of a ration of provisions for each wife, and one quarter of a ration for each child under 14, may be issued, free of charge, until the non-commissioned Officers rejoin them in the West Indies.

(EXCLUSIVE OF INDIA.)

46—Gen. No. 16.

War Office, 16th May, 1866.

The attention of the Secretary of State for War has been drawn to the necessity of providing, that, when any part of a Building, maintained for the accommodation of the Army or Departments attached thereto, may be required for repairs, arrangements should be made to provide other accommodation in the most economic manner possible. His Lordship has therefore decided, that, in every such case, the Barrack

Master is to be officially applied to for such accommodation, and if he cannot provide it in Buildings under his charge, he is to ascertain whether it will be best to hire, or to grant Lodging Allowance. He is to recommend to the General Officer Commanding the course to be taken, with the reasons for his recommendation; and a copy of this report is to be attached to any claim for a money allowance in lieu of accommodation when issued.

Should it be necessary to hire, the course laid down in Circular 361 is to be adopted.

Memorandum for Military Accountants.

Income duty is to be levied for the year ending the 5th April, 1867, at the same rate (fourpence in the pound sterling), and subject to the same rules and limitations, as in and for the year 1865—6.

CIRCULAR MEMORANDUM. Gen. No. 372.

To Regiments in India and their Depôts, and to General Officers Commanding at Home.

Clothing—1 (1866).

Horse Guards, S.W., 6th May, 1866.

The Secretary of State for War having intimated to the Field Marshal Commanding in Chief that arrangements have been made with the India Office for furnishing Regiments proceeding to India with a supply of necessaries equal to a six months' consumption, and for the relieving of Regiments returning home from that country of the necessaries in their regimental stores, by having them transferred to some other European Regiments remaining in India,—His Royal Highness desires that officers commanding Regiments under orders for India will forward to the War Office, without delay, the necessary demands for the articles referred to, which demands shall be for a full supply for the period stated, without reference to the present stock on hand, as it is intended that the surplus, on embarkation, should be left with the Depot Companies.

Squad bags will not, in future, be taken beyond the port of embarkation by Regiments and drafts proceeding to India, as the men will be provided with a new pattern sea-kit canvas bag, with outer pocket for the extra articles of necessaries usually carried in the squad bag.

By Command.

CIRCULAR MEMORANDUM. Gen. No. 374.

Addressed to the Army at Home and Abroad (except India).

Clothing—2 (1866).

Horse Guards, S. W., 11th May, 1866.

His Royal Highness the Field Marshal Commanding in Chief, in conjunction with the Secretary of State for War, is pleased to direct that, in future, drafts proceeding from depôts of Regiments to fill up vacancies at the service companies, shall leave their chacos behind them, to be worn the prescribed period by recruits, as is now the case with India depôts.

On reaching the service companies the drafts will receive the chacos of those whose vacancies they will fill, the expense of re-lining chacos issued a second time, if considered necessary, viz., 3d. for material and 1½d. for work, making a total of 4½d. per chaco, being admitted as a charge against the public.

All invalids and time-expired men sent home for discharge are accordingly to leave their head-dresses at head quarters, for re-issue to the drafts who take their places in the ranks.

This rule is to apply to all Corps, excepting those above their regulated strength, or who may be on active service in the field.

When the service companies of any regiment are above the irregular strength, the Commanding Officer will notify to the Officer commanding the depôt in due time how many chacos must be taken out with any draft embarking to join them, so as to keep up the requisite complement for the actual strength at head quarters, and the Officer commanding the depôt will report to the War Office the numbers in each case.

By Command of His ROYAL HIGHNESS
THE FIELD MARSHAL COMMANDING IN CHIEF.

The Circular of the 10th March last, No 370, ordering returns of horses selected for casting to be sent to the Inspector General of Cavalry, is cancelled.

Addressed to Officers Commanding at Ports of Disembarkation.

Quarter Master General's Office, Horse Guards, S. W., 24th April, 1866.

It having been brought to the notice of His Royal Highness the Field Marshal Commanding in Chief, that articles of stores are still frequently lost by troops on board ship, His Royal Highness directs the particular attention of Officers commanding at ports of disembarkation at home and abroad to the Quarter Master General's Circular Memorandum, No. 120, dated 1st March, 1861, and desires that upon the arrival of any of her Majesty's ships at a port in their commands, with troops for disembarkation, they will see that the provisions of the Circular Memorandum are strictly carried out, as regards an adjustment on the spot, of any cases of the loss of stores that may have occurred during the voyage, as subsequent endeavours to recover the value of the articles, however trifling the amount may be, are sometimes ineffectual, and always involve much correspondence and loss of time.

GENERAL ORDER. No. 885.

Schools—1 (1866).

Horse Guards, S. W., 23rd April, 1866.

The Field Marshal Commanding in Chief has approved of the following instructions for the guidance of Officers who,—in the absence of an assistant or local inspector of schools, or superintending schoolmaster,—may be detailed to superintend the examination of soldiers for certificates of education, viz. :—

1. The "*Regimental Board*" prescribed by par. 18 of the General Order of 1st October, 1864, will be dispensed with, and instead thereof an intelligent Officer is to be detailed for the purpose, whose duty it will be to superintend the examination, and to be present in the room in which it is held during the entire period of its continuance.

2. The candidates are to be placed, and are to remain, at least six feet apart from each other—and at a greater distance when circumstances will permit.

3. The candidates are to be supplied with slates and pencils, with pens, ink, and blotting-paper, and with foolscap paper in half sheets. No two candidates are to have the use of any of these in common, except ink; and, whenever it is practicable, each candidate is to have the use of a separate ink-well.

4. Every candidate is to write his proper rank, his name, and the number or other designation of his regiment at the head of each half-sheet of foolscap issued to him. Non-commissioned Officers are to be careful to specify whether they have full or only acting or lance rank.

The superintending Officer is to satisfy himself that the directions contained in this paragraph have been attended to, before he takes the paper of a candidate into his charge.

5. The candidates are to show upon their papers of arithmetic and mathematics the whole details of their work in doing the several problems. No credit will be given for correct answers in cases in which the details of the work are omitted. Candidates may, if they choose, do their work upon their slates in the first instance, and then transcribe it from their slates to their paper, copying it figure by figure.

6. The examination questions need not be written out. It is only necessary that they should be indicated by the numbers annexed to them on the examiner's papers and the black boards.

7. The pieces to be written from dictation are to be read aloud by the schoolmaster, or by some other person selected for the purpose by the superintending Officer. The stops are to be named as they occur. The pieces are not to be read faster than at the rate of twelve words per minute. Both pieces, when finished, are to be again read once through by the schoolmaster, or other person, at a somewhat more rapid rate than at first, and the papers are then to be collected, and to be taken charge of by the superintending Officer.

8. The questions on arithmetic and other subjects are to be written with the proper numbers annexed to them upon the black boards. The boards are to be set up in view of the candidates; and the questions being thus legibly written, and being so placed that all the candidates can read them, no explanation of any kind is to be given about them.

In most cases it will probably be necessary to make several copies of the questions. Care must be taken not to make public a greater number of questions at one time than candidates can reasonably be expected to answer before the arrival of the next trial hour—due regard being had, at the same time, to the whole number of questions which are to be set to the candidates, and to the limit of time within which all have to be answered.

9. Candidates for 3rd class certificates may be allowed one hour and a half,—Candidates for 2nd class certificates two hours and a half,—and candidates for 1st class certificates three hours and a half,—for working their questions in arithmetic, exclusive of the time allowed for other subjects.

The time allowed for dictation will depend upon the length of the pieces to be written. The rate of writing is prescribed in paragraph 7.

10. Candidates for 1st class certificates, who take up two extra subjects—whether these be history or geography, or others—may be allowed two hours and a half, in which to answer the questions. If in the case of particular subjects it be considered that a longer time than two hours and a half is necessary for answering the examination questions, the length of time which may be allowed will be intimated by the assistant inspector when he sends the questions.

GEN. ORDER, No. 885—*continued.*

When candidates take up more than two extra subjects, special instructions as to the time to be allowed them will be given by the assistant inspector.

11. The dictation paper of each candidate is to be marked (by the superintending Officer) with the letter which was recorded in his examination book at his latest previous examination, to denote the standard of reading to which at that time he had attained. But if there be no such record of his attainments in reading, or if the school-master should consider that such record no longer denotes his attainments, he is to hear the candidate read a few sentences.

12. No candidate is to be allowed to leave the examination-room without first giving in his paper, marked as directed in paragraph 4; and no candidate who may have occasion to leave the room is to be allowed to return to it until all the questions which were made public before he left it have been withdrawn, and replaced by others.

13. At the conclusion of the examination the papers of candidates for 1st, 2nd and 3rd class certificates are to be put up in separate parcels, and the whole are to be sent (by post or otherwise, as may be most convenient) to the assistant inspector by whom the examination questions were furnished. The Officer who superintended the examination is to send with them his certificate that "the examination was conducted in strict conformity with the printed instructions," and that "none of the candidates were allowed any assistance in doing the work of their examination."

By Command of HIS ROYAL HIGHNESS

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, to which at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.
